REGIS
COLLEGE

PHENOMENAL WOMAN

The yearbook theme for 2007 is inspired by Maya Angelou's poem, "Phenomenal Woman," which celebrates womanhood and the joy of being a confident woman. The following is an interpretation of Angelou's poem that is dedicated to all of the Phenomenal Women of the Class of 2007.

I am a phenomenal woman in my own right
I stand on my own; I stand proud
I have the confidence to go anywhere I want
I have the confidence to take on whatever
life throws my way

I do not fear the unknown
I embrace all the possibilities and uncertainties.
I leave nothing behind, and take everything with me

I am of flesh of bones and will
make mistakes, but I will
pick myself up and dust off my mistakes
I will learn from my mistakes and move forward,
because I am the phenomenal woman

Regis has armed me with an array of tools
to use in combat in the "real world"
I cherish the memories of friends who came to be
sisters and professors who came to be mentors

I am a phenomenal woman, along with all
the other phenomenal women
that leave Regis with me
We leave together, hand in hand,
as the strong leaders of tomorrow.

A Message from President England

In 1927, just eighty years ago, Regis College began as the first Catholic residential college for women in the Boston area. Ours was a mission to be inclusive and to make sure women had the opportunity of higher education. At our fledgling college six Sisters of St. Joseph and a score or two of students lived, worked, studied, and prayed in Morrison House as the first half of College Hall was built. Fifty-five students were enrolled at Regis in September, 1927, and now, in 2007, we anticipate a first-year class alone of well over 200. By 2010 we expect an undergraduate student body of 1000. We are growing intentionally.

Founded in 1637, just sixteen years after the Pilgrims landed at Plymouth, Harvard grew from nine students into a great university. Now, 370 years later, Harvard University has named its first woman president, historian Drew Gilpin Faust. We celebrate this news in greater Boston and what it signifies in the ongoing quest for parity for women in professional and economic life.

Here at Regis we have always had a woman president – and predominantly women faculty and staff – and celebrated the full potential of woman, “phenomenal woman,” as poet Maya Angelou has put it. We boast over 12,000 accomplished alums. This history gives us a special responsibility.

The Class of 2007 will be the last class graduating from Regis College as a women’s college. Yet this college remains committed to cultivating what Angelou calls the “inner mystery” -- what makes Regis women intelligent, articulate, thoughtful, beautiful, spirited, professional, and socially aware leaders. As Regis College opens its doors to men undergraduates and takes up the challenge to grow, we remember that our mission still asks us to be inclusive, to provide access to those who otherwise might not be able to pursue a college education, and to empower them all – women, men, younger students, older students, all races and ethnicities – for excellence, service, and lifelong learning in a changing world.

To the class of 2007 I send special congratulations. I remind you that you carry a special role as the eightieth-anniversary graduating class, the last from Regis the women’s college. In some way you are the fulfillment of our first call, and in your diversity you are as well the promise of our future. Godspeed in all your endeavors! Go ahead: Be phenomenal in mind, heart, and spirit by building up the community wherever you go.

A Message from Class President

Dear Class of 2007,

It has been an honor to be the class president for the Class of 2007. We are an extraordinary class with a unique touch that no other class can rival. We were all fresh out of high school when we ventured into the unknown world of college, a brand new place away from home, parents, siblings, and friends from high school. Unknowingly, we all embarked on a journey that would change us and ultimately shape the young women we are today.

Our class has gone through many changes over four years, but we have somehow managed to pull through and make the best of it. Even when we had to have extra RA's on each floor of Angela, our first year, we laughed about it because- well let's face it- it was quite the event. When Residence Life change housing policies after our freshman year, we laughed then too. Our class is certainly one that has made its mark on the college. We won't be forgotten. Our accomplishments and contributions have also made a lasting impression. We entered Regis College as young girls and we leave as young women, determined to take on the world.

I have no doubt that each woman of the Class of 2007 will succeed in every personal and professional endeavor she sets as her goal. A Regis woman can do anything! A wise man once said: "They can because they think they can" and Virgil was right. All of you can do whatever it is you want to do if you think you can-- if you believe in yourself. So go ahead, women of the graduating Class of 2007 believe in yourselves and achieve all of your wildest dreams!

A Message from The SGA President

Women of 2007,

First and foremost I want to say congratulations! You have made it! I hate to see you women leaving us behind. Four years have passed by so quickly and now you are each ready to begin your life as your own woman.

The Class of 2007 is filled with confident, hard-working, and intelligent women who are all ready to take on whatever the future holds. The question is, is the world ready for you?

Many of you have acted as mentors for the rest of the undergraduate classes at Regis, always ready to lend a helping hand when needed. You women have helped to shape a lot of the changes we see on campus today, especially with clubs like AHANA, AAA, and Amigas. Next year, the Class of 2008 hopes they can do the same. Thank you for all of your hard work ladies. We are confident that all of you phenomenal women will be successful in your future endeavors. Once again, good luck to each and every one of you.

Sincerely,

Christina Ewing, '08

A Message from the Editors

To the Phenomenal Women of 2007,

Creating the yearbook for the Regis College Class of 2007 has been a truly rewarding experience. Working collectively to put together something as significant as your yearbook was very exciting. Although at times we thought, perhaps this book would never get finished, we made it!

Over the past four years we have all gotten to know each other in some way – whether we are best friends, classmates, held the door for one another going into the resident halls or even just shared a smile in the hallway. No matter which one of these you shared with your classmates, just know that we have all been a part of each other's lives in some way and that this experience should be cherished.

This yearbook is something that you will have for the rest of your life to show to friends and family. It is a book full of traditions, clubs, friends, laughter, tears, studying and most important you - the Phenomenal Women of 2007. Thank you for making it so easy to comprise all the wonderful memories into this book.

We must thank our wonderful staff members who were always there to help meet a deadline. To our advisor, Dr. Sara Weintraub, thank you for supporting us in all of our decisions and leading us through the whole process. We want to extend a special thanks to Sister Mary Rita Grady, Ph.D. for giving us the necessary tools to make this yearbook special and to John Carrier, our publisher, who was always available when we needed him and always willing to help.

We would like to give a special "Thank You" to Rachell Ruck and Kelly Crawford for going above and beyond the call of duty. The endless nights in the office have paid off!

We wish the Phenomenal Class of 2007 the best of luck!

Dedication

Sister Hogan

Sister Hogan has dedicated much of her life to Regis College and to its students. She is also a proud graduate of Regis College, Class of 1961. During her undergraduate years at Regis, Sister Hogan majored in Government. She was active in the Regis softball team and was an avid golfer. To this day, she still follows the sport of golf, even in her office! After her undergraduate years, Sister Hogan was involved with a number of organizations, including the National Security Agency (NSA). She earned her master's degree at Tufts University [the Fletcher School] and her doctorate at the University of Maryland.

Sister Hogan returned to her alma mater and joined the faculty in 1974 in the Political Science Department. Sister Hogan has always challenged her students to excel in their work ethic and to think critically about the world in which they live. To this day, she continues to be a pillar in the Political Science Department and the College.

Sister Hogan also served as the Academic Dean of Regis from 1987-2002 and then returned to her teaching position. She is also involved in the Sisters of Saint Joseph and currently serves as their Vice President.

Sister Hogan has given back to the school that nurtured her love for politics by nurturing that same love for politics in her students. Her presence continues to be strong as several students continue to seek her advice on internships, papers, thesis, and much more. For all she has given to her students, colleagues, and the college, the Class of 2007 proudly dedicates the yearbook to Sister Lee (Leila) Hogan, Ph.D.

Thank you Sister Hogan!

Hoop Rolling

Hoop Rolling is a tradition that was started in 1927 by the women of Regis College. When this tradition first began, Regis women would remove the hoops in their skirts, decorate them and roll them down the Morrison House front lawn. It was said the first one to cross the finish line would be the first graduate to get married. Even though this tradition has changed with the times, Regis women still decorate their hoops and roll them down the front lawn, hoping to be first to cross the finish line. Now the tradition states the first person across the finish line will be the first person to be successful. Every woman in the Class of 2007 will leave Regis as a successful, phenomenal woman.

Cap & Gown

Since 1927, Regis College has produced phenomenal women and created beautiful traditions. When you enter Regis, you witness traditions like Senior Cap & Gown and Senior Hoop Rolling and begin to feel a sense of excitement because soon it will be your turn to participate in these valued traditions. Senior Cap & Gown is a tradition at Regis that celebrates the accomplishments of the seniors and gives them a chance to have their cap and gown formally presented to them by a Regis professor. The ceremony ushers the senior class into their final year of undergraduate study as they prepare for graduation and life after Regis.

Snowball

The Snowball of 2006 was one to be remembered. Whether a first-year or a senior, students from all classes danced the night away in the beautifully decorated Fine Arts Center. White holiday lights were hung throughout the room offering a warm luminescence to the dance floor.

Snowflakes dangled from the ceiling, allowing guests to feel as though they were truly in a winter wonderland. The Class of 2007 will especially remember the night, as they are looking forward toward graduation and a new beginning.

The Snowball is a Regis College tradition that brings joy to students year after year.

Tree Lighting

A favorite time here at Regis College is the Christmas Season. The campus is alive with the Christmas spirit and precious traditions. One tradition that is close to our hearts is the annual Tree Lighting event. One evening after the classes have ended for the winter semester, the community of Regis College gathers together in the College Hall Foyer to honor the seniors, and watch the campus become illuminated with white Christmas lights.

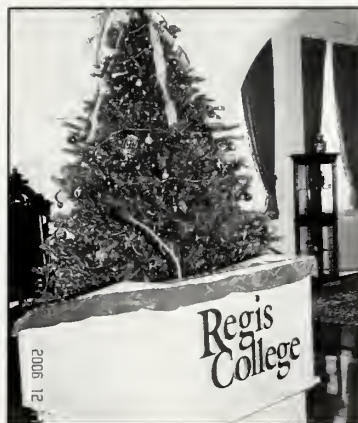

The students, faculty and staff at Regis College gather to watch the seniors process into the Foyer with simple white candles.

The candles illuminate not only their faces but also give light to their bright futures after they depart from Regis College.

Together everyone prays and wishes each other warm wishes for the Christmas season, expressing the simple yet personal part of this cherished tradition.

Founder's Day

Every year, the entire community of Regis College gathers to commemorate the origins of our founders, the Sisters of Saint Joseph. Our school was founded by the Sisters of Saint Joseph in 1927 as a Catholic institution of higher learning for women in the Boston area. Their mission was to provide quality education for everyone, especially those who may not have easy access to a quality education.

2007 proved to be a special Founder's Day with a special guest speaker- Esmeralda Santiago. She is the author of the best-selling memoirs: *When I was Puerto Rican*, *Almost a Woman*, *The Turkish Lover*, and of the novel, *América's Dream*. Santiago is also an award-winning screenwriter and essayist. Her profiles and opinion pieces have been published in magazines like *Sports Illustrated*, *Latina*, and *Good Housekeeping* as well as in newspapers like *The New York Times*, *The Boston Globe* and *El Nuevo Día*.

Latina

AMIGAS, which stands for “girl-friends” in Spanish, is one of the many cultural clubs on campus. They are known for hosting the annual Latina Celebration, which is an event that honors the Hispanic/Latino community within Regis and overall. The event is highlighted by music, performers, mouth-watering food, and a key-note speaker.

The event also recognizes leaders on campus who have made a difference or have made a contribution to the community. It is a special evening where all members of the Regis College community are invited to come together and enjoy the festivities the AMIGAS organization has rigorously worked on so hard.

Celebration

The Father-Daughter dance is a cherished tradition here at Regis College. This tradition was developed to allow each Regis woman to honor an important male figure in her life, someone who has supported her educationally and personally during her Regis experience. The father-daughter dance is a formal event where Regis women dine and dance with their fathers, grandfathers or other important male figures. During the dinner and dancing, Regis women get to spend quality time with their chosen male figure and thank them for their support during their time at Regis and also during their lives. In suits and dresses, fathers and daughters dance and laugh the night away. Regis students love the father-daughter dance, and look forward to attending it every year.

Father-Daughter Dance

Humanities

Each year, the Center for the Humanities celebrates the students with majors in English, History, International Relations, Law and Government, Political Science, Sociology, and Spanish. Sponsored by the professors of these departments, this dinner is a great way for students to mingle with their professors in a non-academic environment.

This event, takes place at the end of the first semester. The dinner, which is completely prepared by the faculty, is the Center's way of saying thank you to the students for their hard work.

Celebration

Black History Month

The Black History Dinner takes place every year during Black History Month. This year it was held on February 20th in the Fine Arts Atrium.

This celebration informs guests of Black History month through poems and various speeches. This year, Bishop HESSIE HARRIS was the speaker.

Mardochee Val also sang a solo and her beautiful voice will be remembered for years to come. To add to the excitement, the Step Association also gave a memorable performance.

The 2006 tennis season was a difficult but rewarding experience for the team. In his second year of coaching, Bob Erickson led a team of seven into matches against veteran teams that had players to spare. The team faced many heart wrenching losses throughout the rigorous season yet was able to recover and, with determination and pride, made it into the Commonwealth Coast Conference Tournament. Seniors Lorena Asllani, Captain Kimberly Barrett and Jessie Ferris made it to the tournament every year of play while at Regis, certainly an admirable feat.

Proud members of the FH team after a game

The Regis College Field Hockey team, coached by Heather Gilmour, ended its season 2-15. Despite the number of losses, the team had a rebuilding season with multiple highlights including two phenomenal non-conference wins against Saint Joseph's College of Maine and Wheelock College. The Commonwealth Coast Conference recognized the Regis College's Field Hockey team for their comradery with the Team Sportsmanship Award. The Commonwealth Coast Conference also recognized Senior Midfielder Leah Boniface for her on and off field performance. She was a 2nd Team All-Conference Selection for midfield and earned the Senior Scholar-Athlete Award for having the highest GPA in the conference. Senior Captain Melissa O'Donnell was the leading scorer for the Pride the last two seasons. Senior Captain Aislynn Quinn recorded the most saves in the conference as the starting goalkeeper for the team. Senior Defender Sarah Boniface controlled the defense at the center back position and recorded numerous defensive saves. Seniors Melissa O'Donnell, Aislynn Quinn, Sarah Boniface, and Leah Boniface will be missed next year.

Faster girls!

The Regis College Soccer team, coached by Mark Clemente, ended its season with a record of 3-13-2. This record, however, does not reflect how much effort and passion the team put forth this year. Many players showed their Regis Pride by playing injured during the season. Seniors on this year's team included Blair Benander, Captain Kate Daley, Captain Jamie Folan, Beth Kaleta, and Megan O'Donnell. Their presence is irreplaceable.

Blair Benander held the midfield. Also, the defensive duo of Kate Daley and Jamie Folan kept the team in many games. Beth Kaleta and Megan O'Donnell shared time as starting goalies for the Pride. Seniors Kate Daley and Megan O'Donnell were named to the All-Conference team in Fall 2005. This year, the Commonwealth Coast Conference recognized Junior Captain Katelynn Shea by naming her to the 2nd Team All-Conference for midfield.

The soccer team will miss its senior players.

The Regis College Volleyball team, coached by Kelly Murphy, finished its season 2-21. This young team had six sophomores, only three of whom were returning players and four first-years. The team was led by two Sophomore Captains, Tiffany Blessing and Ashley Paolini. Highlights of this rebuilding season included wins over Lesley University and Commonwealth Coast Conference-foe Anna Maria. The main focus of the season was learning to play together and trust one another. Each team member had a major contribution on the team and many players got switched around throughout the season to positions they had never played before. This team does not graduate any players until 2009 so it is looking to improve its record in the years to come.

Basketball

Back Row (L to R): Coach Julie Plant, Maya Spratling, Ashley Clay, Jessica Page, Assistant Coach Alexis Riseman, Manager Kencia Bernard. Front Row (L to R): Kim Mariotti, Jessica Harding, Laura Sears.

After losing five seniors to graduation last year, the Regis College Basketball program relied heavily on the recruiting efforts of Head Coach Julie Plant. Once pre-season started, the outlook was hopeful for the Pride as they had twelve players, the most members the program has seen in years. The hope slowly diminished, however, when the Pride found themselves opening their season with only six names on the roster. Along with the only two returning players and co-captains, senior Jessica Harding and sophomore Kim Mariotti, the Pride acquired sophomore point guard Laura Sears, first-year shooter Jessie Page, first-year center Ashley Clay, and first-year guard Maya Spratling. As the team faced obstacle after obstacle, they were able to hold their own with a fairly young and inexperienced team. As 2006 came to a close, the team found themselves another person down, playing a few weeks with only five. Fortunately for the team, junior guard Ashley Villandry and sophomore post Kristen Tavares joined the Pride to finish the season. Although, the team struggled all season with low numbers, they never lacked the effort and hard work that Coach Plant enforced. Things for the team began to come together as they finished the season with five wins and knocking off Conference opponents such as Curry, Anna Maria, and Eastern Nazarene.

Swimming & Diving

Back Row (L to R): Natalie Finn, Maggie Wakim, Chelsea Getchell, Caitlyn Jones, Paula Barrows, Maria Pino, Katie Bradford, Zinnia Zheng, Casey Leon, Rachael Roy, Coach Mindy Williams. Front Row (L to R): Tiffani Lanctot, Beth Kaleta, Leah Boniface, Liliana Jimenez, Elise Doucette, Sarah Boniface, Kate Daley.

The 2006-2007 season for the Regis Swimming and Diving team was based on great improvement and dedication. The dual meet season ended in a record of 3 – 11 with victories over St. Joseph's College, Husson College and Wheelock College. Senior Leah Boniface led the team in scoring with 270 individual points and in the breaststroke events won 21 individual races. Sister Sarah Boniface had a number of impressive 1-2 finishes in the breaststroke races. This season, Sarah swam lifetime bests in both the 50 and 200 breaststroke events. The Boniface twins both made New England Qualifying "A" cuts. Senior backstroker Kate Daley also made the New England team with a "B" cut in her second season on the team. Two seniors swam for the first time. Senior sprinter Tiffani Lanctot had many impressive races throughout the season and ultimately made a New England "B" cut in the 50 Free. Senior Beth Kaleta dropped 29 seconds in her 200 Freestyle and developed four strong strokes in her IM. Other New England qualifiers included juniors Elise Doucette and Liliana Jimenez, and first-year Paula Barrows. Doucette made numerous "A" and "B" cuts in the IM and distance events while Jimenez and Barrows made "B" cuts and will represent the team on relays at the championship meet. The Regis Swimming and Diving Team is not only impressive in the pool, but in the classroom as well. The team was awarded with Academic All American Honors from the College Swim Coaches Association of America for the 35th consecutive semester.

Lacrosse

Back row (L to R): Isobo Erekeosima, Bridget Blake, Ashley Villandry, Amanda Kammler, Natalie Finn, Thanh.
Front row (L to R): Adriana Rodriguez, Colleen Colarusso, Kate Daley, Cathy Onasanya, Desiree Cyr.

One of the youngest sports at Regis College is the Lacrosse team. The team was initiated into the NCAA a few years ago. It initially started out as a student interest group and quickly turned into an intramural team. The sport spread like wildfire among the students and they rallied for it to become a varsity sport. With strong interest from students and the support of the Athletic Department, lacrosse became a varsity sport at Regis College. As a new sport, lacrosse has gained more and more interest with students, experienced and non-experienced players alike. The sport is one that is gaining popularity in New England and across the nation, and Regis is proud to be able to offer this sport on the varsity level to its students.

Track

Back Row (L to R): Nadine Ambroise, Hsiu-Yin Hsiao-Showyin, Kate Haslam, Vanessa Benzan, Priscilla Saul, Nadine Remy, Stephanie Voltaire. Front Row (L to R): Voni Lane, Claudia Frederico, Kristen Lancot, Dorose Desilus, and Tiffany Freeman.

The 2006-2007 Indoor Track and Field squad produced another strong season, led by their senior classwomen: Kristen Lancot, Tiffany Freeman and Claudia Frederico in the sprints, and Dorose Desilus in the shot put. This quartet of athletes were the backbone to one of the most cohesive and supportive teams in recent years. Senior Captain Kristen Lancot (indoor record holder of the triple jump, 4x200 meter relay, and 4x400 meter relay) led her squad with the team's fastest times of the team in the 200 and 400 meters. Not to be outdone, Desilus, Frederico, and Freeman each posted all-time bests in their respective events. And, while many of the younger athletes scored personal bests over the course of the season as well, one of the most featured performances of the year came from sophomore Nadine Remy. Her performance of 8.17 seconds in the 55-meter dash ranked her 4th on the all-time Regis performance rankings.

The 2007 Outdoor Track and Field season will be returning a core of tough sprinting veterans including two all-time best Regis performers. The squad will be led by senior Captain Kristen Lancot and sophomore Nadine Remy. Lancot is a multi-record holder in the outdoor 400-meter and 4x100 meter relay events. Remy is working her way up the ranks on the all-time Regis performance list. Also returning for the team will be Hsiu-Yun Hsiao featured in the short sprints and junior Voni Lane in the middle distances. Newcomers Vanessa Benzan and Kate Haslam will look for stellar outdoor débuts as runners for the Pride, adding to the sprint complement and acting as valuable relay legs. To add even more depth to the deep roster of sprinters, seniors Tiffany Freeman and Claudia Frederico will contribute their maturity by helping keep the team focused; as will Dorose Desilus in the shot put. This season, the team looks to continue success from years past with posting relay and individual qualifiers to the Division III New England Outdoor Track and Field Championships.

Softball

The softball season kicks off with just eleven players who are committed to working hard after the loss of nine seniors from last year's team. This year's squad will be headed by twin seniors, Melissa and Megan O' Donnell who came off a stellar season last year as Second Team All-Conference First-Base and Honorable Mention Third-Base, respectively. The dynamic duo bat third and fourth in the Pride's line-up, and led the team in batting average and on-base percentage last season, and will look to be the power behind the line-up again this year. These two players will be the key to the Regis success, both on the field and off, providing the much-needed leadership to this rebuilding team. The 2007 Softball Season will face some challenges, but looks to be aggressive offensively and play tight defense for a strong season. This team sees this season as an opportunity to step up and take many people by surprise.

Clubs and Activities

AAA

Not only are the members of the Triple A organization known for having big events, but they are also known for being very photogenic when it comes to group pictures. The group continues to grow bigger every year with new members joining all of the time - wonder if it's the food?

There's no better way to bond than with some delicious food!

Jenny is hard at work, recruiting!

The Asian American Association or "Triple A" as it is known around Regis, was formed to better inform the Regis College Campus of other Asian and cultures. They hold annual dinners such as the Thanksgiving Dinner and also the New Year's Dinner.

Here, AAA shares with the rest of the college their culture's foods and traditions. These dinners are always a big hit because the food is so good! AAA also invites other cultures to join their club and share in the fun!

First-Year students enjoy the good food!

CAB

Back Row (L to R): Natalie Finn, Nicole Deschenes, Carolyn Frazier, Ayan Warsame. Front Row (L to R): Caitlin Erwin, Karen Price, Miriam Lebon, Keke Butterfield, Shirley Armand, Uchenna Iruka, Amanda Heroux, Bridgette Blake, and Caitlyn Fraser.

CAB is our beloved Campus Activities Board. CAB is responsible for most of the exciting activities on the Regis College campus. This organization offers students the opportunity to be more involved in student activities and provides a great way to meet other students. The senior CAB members will leave with the important knowledge of planning important events, working with a group of people and managing various productions. With the guidance of Karen Jasinski, CAB has brought bands, comedians and other fun events to the college. Whether it's planning a small event such as a comedian or taking on the task of Spring Weekend, CAB always succeeds in making it the best event they can. We thank the members of CAB for making Regis College a fun place to be!

Upperclass women posing like true ladies!

Karen is a natural born model for the camera.

Ayan wants Keke to agree with her!

Carolyn has a suggestion for an upcoming event.

SGA

The Student Government Association is a popular organization at Regis College. SGA consists of six representatives from each class and four executive officers. SGA distributes funds among the various clubs and organizations on campus. They also handle many student issues and act as a connection between students and the administration. With this important link, the students issues and recommendations are easily communicated to the administration. SGA makes sure that students get the most out of their experience at Regis College.

START

START – Students Teaching Acceptance and Respect Together – is a group centered around spreading awareness of other races, religions and sexual orientation. They promote what Regis likes to pride itself on – diversity and respect for differences. We are proud to have a group like START on campus because we accept and respect everyone here at Regis College.

STAND

Back Row (L to R): Lauren Shear, Liz Eacmen, Deanna Georges, Kay-Tee Orloff, and Leigh Handschuh. Front Row (L to R): Amanda Beaulieu, Nicole Lamb, Laura Garrity, Sarah Giannetta, Leah Trudo.

Students Taking Action Now for Darfur (STAND) is a student group on campus dedicated to raising awareness for the tragic genocide that is currently taking place in the Darfur region of Sudan, Africa. In addition to educating others about the situation, we also hold a number of events and fundraisers to raise money for genocide refugees and the primary relief agency we deal with is Oxfam. We also cover additional human rights issues, such as human trafficking, sexual slavery, and poverty. STAND members often support other important fundraisers by participating in off-campus events such as The Walk for Hunger. We hope that our actions will make the issues of genocide and human rights known and that we can make a difference in the lives of the victims.

Officers: Laura Garrity and Sara Giannetta

Deanna ponders as the rest of the members discuss an action plan.

Leah is amused by the group's motivation.

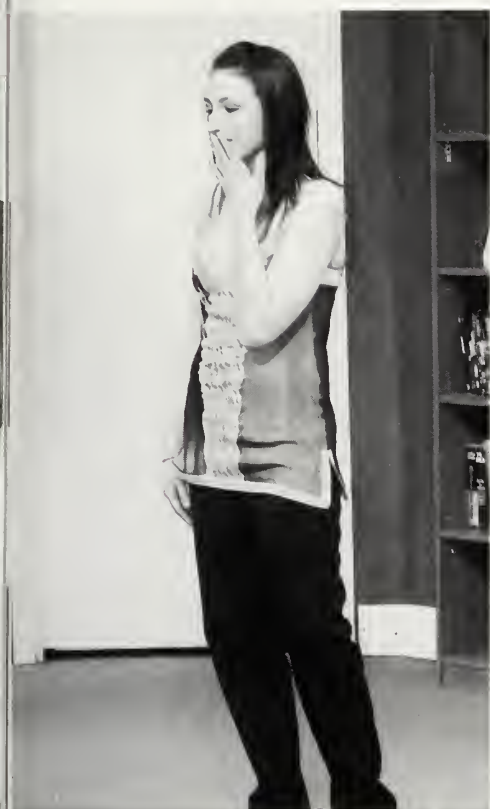

STAND shows their goofy side for the camera.

The STAND officers are a strong group of individuals who motivate us to think about the world around us.

Theater Company

The Theatre Company keeps very busy during the year putting together great productions. Under the leadership of Frans Rijnbout and Wendy Lement, the Theatre Company put on shows such as "Cora X," "The Effects of Gamma Rays on Man-in-the-Moon Marigolds" and "The Commencing."

The productions took place in the Casey Theatre and in the more intimate venue, the Black Box Theatre. Bravo Theatre Company!

Chamber Singers

L to R: Karol Altarejo, Krissy Friel, Charlene Cham, Amanda Beaulieu, Deanna Georges, Mairin Keleher, Tanya Cotnoir, Meghan Callahan, and Music Director Sheila Pritchard.

Chamber Singers are a select group of Glee Club women that focus on singing chamber style music, including madrigals. Because this group is more focused on a particular style of singing, their contributions to the Music Department is irreplaceable. These young women also have the flexibility to switch, to and from, one style of singing to another. Chamber Singers is composed of extremely talented young women-- keep up the good work ladies!

Step Association

The Regis College Step Association is a group of enthusiastic, talented women. You can hear them practicing in the Lower Student Union and are amazed at how exciting what they do can be. The Step Association brings great school spirit to the campus with their Step Shows and various other activities in which they are involved.

Model UN

Regis College is a proud participant of the HNMUN, Harvard National Model United Nations, a distinguished program that enables students from across the nation and all across the world to have a first hand experience in the simulation of the United Nations. The conference takes place at the historic Park Plaza Hotel in downtown Boston. HNMUN has been dedicated to experiential education through debate, diplomacy, and compromise.

Through preparation for and participation in the simulation, students develop expertise in research, writing, public speaking, and the art of negotiation as they fight for the interests of the countries they represent on their international interests on every conceivable topic relevant in today's global community. This year, Regis students were proud representatives for the nation of Paraguay. They enjoyed a long weekend of extensive debates, met other delegates from other nations and had an enriching learning experience.

Glee Club

Back Row (L to R): Deanna Georges, Amy Pascale, Jullieanne Doherty, Krissy Friel, Gloria Nabakka, Tanya Cotnoir, and Meaghan Callahan. Front Row (L to R): Leah Trudo, Karol Altarejos, Charlene Cham, Marianna Scandole, Kaitlin Flaherty, and Amanda Beaulieu.

The Glee Club is a group of women who sing music that includes sacred hymns, pop music, and classical music, including pieces by Bach, Handel, and Vivaldi. Every other year, all the members travel abroad during Spring Break to participate in a series of performances, while enjoying some sight-seeing. In 2007, they travelled to Portugal and spent a marvelous week in the beaches while enjoying performing for different audiences. Past tours have included England, Scotland, Rome, and Ireland.

AHANA

AHANA, the African, Hispanic, Asian, Native American, student organization is a cultural group of Regis women that pride themselves on celebrating diversity and each other. The women of AHANA are outgoing, strong women that want to make a difference in our diverse campus life and spread awareness of different cultures. One of the most popular groups on campus, AHANA hosts many famous Regis College events throughout the year. A few such events include: The Black History Month Dinner, The Martin Luther King Celebration, the AHANA Semi-formal and the Cultural Enlightenment Show.

Campus Ministry

The ladies of Campus Ministry prepare for a day of planting.

Everyone digs into the potting mix!

The meeting must have been amusing to Amanda.

This year, the Regis College Campus Ministry focused heavily on community service in the Boston area. Students volunteered in an array of service activities including serving dinner to the residents at New Beginnings in Framingham, sorting clothes at Cradles to Crayons in Quincy, packaging food at the Boston Food Bank, donating Christmas items to the Red Cross, and walking in the Breast Cancer Walk. Service opportunities are widely available and Campus Ministry's focus absolutely benefits all involved.

Dance Company

The Regis College Dance Company is a completely student run organization, which celebrates all types of dancing. The members practice various forms of dance including lyrical, jazz, hip-hop, modern, tap, and salsa. The Dance Company works all year to put together an annual spring recital. This year's production was called "All That Jazz." We opened with our rendition of the song and it was a blast! All the performances were high energy and the audiences were great. For seniors this was the last dance company performance. It was a bit sad. However, when we look back on the last four years, we can't help but smile. We love to dance!

Tower Society

Back Row (L to R): Natalie Finn, Amanda Pelaggi, Alycia Corr, Sophie Gabrion, Christine Louro, Hillary Mosher, Elsbeth Clifford, Kaitlin Flaherty, Maria Mendes. Front Row (L to R): Christie Perron, Katie Enrici, Adriana Rodriguez, Kimberly Radler, Leigh Handschuh, Jenny Chan, Ashley Kiley, Caitlin Erwin.

The Tower Society is a group of select students from Regis College who are chosen to represent the College at admission recruitment events. These students are articulate, enthusiastic individuals who embody the mission of Regis College. Members are expected to give weekly tours, host overnight students, speak on panels and attend open houses and other recruitment events.

Tower Society members gather in front of the tower for a group picture!

Gospel Choir

The Regis College Gospel Choir is a very popular choral group on campus that has grown over the past ten years it has been together. Led by Linda San-Martin, the Gospel Choir hosts two concerts in the College Hall Chapel and invites the whole college to sing along with them. They also invite outside gospel groups for these fun concerts. Thank you Gospel Choir for providing us with your beautiful music!

Clubs & Organizations Out-Takes

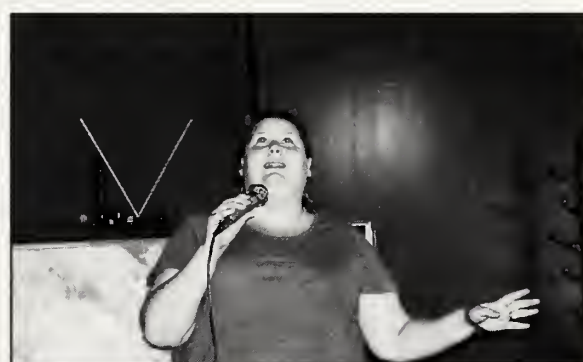

Residence Life

Where would we be without our Residence Life staff? They provide a constant support system and friendly faces. They have to be on duty at all hours of the day and it is nice to know there is always someone available if we need them. The resident assistants and the resident directors on campus are extremely outgoing and some of the nicest people we have met! On top of all that, Residence Life also sponsors various events on campus such as the Snowball Semi. This is one of the favorite events on campus so we thank the staff for that. This year, they sponsored an Oscar party that everyone enjoyed. From the Class of 2007, we thank you Res-Life!

Student Nursing Association

Back Row (L to R): Jessica Travis, Tina Tomaszczuk, Tiffany Lanctot, Barbara Toole, Courtney Gould, Amy Sullivan, Lindsay McDonough, Kristen Lanctot.

Front Row (L to R): Jairah Jimenez, Christina Wittey, Jillian Osowski, Kimberly Duggan & Kelly Spillane.

The Student Nursing Association of Regis College (part of the National Student Nurses Association) is a group of dedicated nursing students who engage in community wellness projects. They are engaged in service projects that benefit the Regis College community and also the community at large. During Thanksgiving, they organized a canned food drive, which they donated to a local food pantry. At Christmas, SNA collected gifts for the maintenance employees of Regis College as a thank you for all of their hard work year round. They are organizing a team in order to participate in the Relay for Life, which raises money to fight cancer. The SNA is also going to work with the Why Me Organization and Sherry's House, which provides support and housing to families who have children with cancer. The current leaders of the SNA are as follows: Kelly Spillane, President; Jessica Travis, Senior Vice President; Catherine Turpin, Junior Vice President; Mardochee Val, Secretary; Christina Wittey, Treasurer and Diane Welsh, Faculty Advisor.

Dinaisha Bullock

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our Light, not our Darkness, that most frightens us. We ask ourselves, who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you NOT to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightening about shrinking so that other people won't feel unsure around you. We were born to make manifest the glory of God that is within us. It is not just in some of us; it is in everyone. As we let our own Light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others."

Love from the Family

Leah and Sarah,

Twin sisters and best friends -
yesterday, today, and always.

So proud of your many
collegiate accomplishments,
we thank you for sharing your
academic and athletic journey
with us. We have been blessed with two
bright, beautiful, kind, and caring daughters.

As your graduate from Regis College
and begin your careers, we wish
you great joy, true happiness, and
every success that you both
so richly deserve.

May your all your dreams come true!

With all our love always,
Dad and Mom

Andrea,

We are so very proud of you! Although everything was working against you: money, being a foreigner, doors closing on you and feeling like you may not be able to go to college and accomplish your dreams- you did it. Your strength, perseverance, hard work, and determination beat all of the odds and 4 years later look where you are! Words can't describe the joy you bring to us!

We love you!

Your Family,

Mom, Dad & Jules

From the moment of your birth, to your first dance on stage at three of age, to your high school graduation, to you crossing the finish line first in the hoop-rolling race at Regis, the smiles on your faces and the love in our hearts grow larger. Kathryn you are an extraordinary woman and WE LOVE YOU!!

You have grown at Regis in more ways than just getting older, and the friends that you have made and the goals you have accomplished continue to show that you are a strong independent woman who is making a wonderful start on the journey of her life.

We could not have asked for a better daughter Kathryn, and we are very proud to be your parents as your graduate today. Remember that whatever you want out there in this world, it is yours to earn. Be confident, go forth, and achieve whatever your heart dreams and yearns for.

Congratulations honey

Love always,
